If you choose to enter “debit” at the point of sale you will need to obtain a PIN. Your Card Account has been assigned a PIN for which you will need to call the

When entering your PIN, be sure it cannot be observed by others and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately following the procedures in the paragraph labeled "Your Liability for Unauthorized Transfers."

Authorized Card Users

You are responsible for all authorized transactions initiated and fees incurred by use of your Card. If you permit another person to have access to your Card or Card number, we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of each Card according to the terms and conditions of this Agreement.

Secondary Cardholder

You may request an additional Card for another person. The maximum number of additional Cards permitted is two (2). You must notify us to revoke permission for any person you previously authorized to use the Card. If you notify us to revoke another person's use of the Card, we may revoke your Card and issue a new Card with a different number. You remain liable for any and all usage of an additional Card you authorize.

Your Representations and Warranties

By activating the Card or by retaining, using or authorizing the use of the Card, you represent and warrant to us that: (i) you are at least 18 years of age (or older if you reside in a state where the majority age is older); (ii) you are a U.S. citizen or legal alien residing in the United States or the District of Columbia; (iii) you have provided us with a verifiable U.S. street address (not a P.O. Box); (iv) the personal information that you provide to us in connection with the Card is true, correct and complete; (v) you received a copy of this Agreement and agree to be bound by and to comply with its terms; and (vi) you accept the Card.

Cash Access

With your PIN, you may use your Card to obtain cash from any Automated Teller Machine ("ATM") or any Point-of-Sale ("POS") device, as permissible by a merchant that bears the Visa® or NYCE® Acceptance Mark. All ATM transactions are treated as cash withdrawal transactions. You may use your Card at an ATM. The maximum cumulative amount that may be withdrawn from an ATM per day is \$500.00, subject to lower limits set by the ATM. The maximum cumulative amount that may be withdrawn from a participating bank (over the counter withdrawal) per day is the available balance on your Card. Any funds withdrawn from a POS device will be subject to the maximum amount that can be spent on your Card per day or the limits set by the POS device.

Loading Your Card

You may add funds to your Card called "value loading" by using the following two (2) methods: 1) with cash (cash load) at a participating Boss Revolution retail location or by purchasing a Green Dot® MoneyPak® and 2) via direct deposit from your employer or from a government agency depositing benefits. Please call 1-800-725-1442 or visit www.bossrevolution.com/prepaidvisa for Boss Revolution and MoneyPak locations. The minimum amount of each cash load is \$20.00. The maximum amount of each cash load is \$990.00. The maximum number of times you may cash load your Card per day is one (1). There is no minimum or maximum dollar amounts of value loads or value reloads or number of direct deposits by your employer or by a government agency disbursing government agency benefits. You will have access to your funds within (2) two hours. Personal checks, cashier checks, and money orders are not an acceptable form of loading. All checks and money orders sent to the Issuer for Card loading will be returned unless the full amount may be applied towards a negative balance, in which case the check, cashier check or money order may or may not be loaded to the Card at the discretion of the Issuer.

Description	Amount
Minimum Cash Load Amount	\$20.00
Maximum Cash Load Limit(s)	\$990.00
ATM Cash Withdrawal Limit (24 Hours)	\$500.00
Maximum Card balance*	\$2500.00

*The Card balance may exceed \$2,500.00 if the excess balance is a result of value loading from employer direct deposit or government benefit deposit. Load transactions that exceed certain dollar amounts, to certain destinations or that implicate certain regulatory issues may be restricted by us.

Direct Deposit Account

You may authorize your employer to deposit your salary to this Card Account. You may have your government benefit check deposited to this Card Account. Your prepaid Card Account and associated direct deposit account number cannot be used for preauthorized direct debits from merchants or from utility or Internet service providers. If presented for payment, these preauthorized direct debits will be declined and your payment to the merchant or provider will not be processed. The bank routing number and direct deposit account number are solely for the purpose of initiating direct deposits by your employer to your prepaid Card Account. You are not authorized to provide this bank routing number and direct deposit account number to anyone other than your employer or to a governmental agency for the deposit of government benefit checks. What this means is that you may not have automatic payments for utilities or other merchants made to your Card.

Using Your Card/Features

The maximum amount that can be spent on your Card per day is the Card balance which is the total amount of available funds on your Card. Your Card balance can be found by going to www.bossrevolution.com/prepaidvisa. The maximum value of your Card is restricted to \$2,500.00*.

You may use your Card to purchase or lease goods or services everywhere Visa debit cards and NYCE cards are accepted as long as you do not exceed the value available on your Card Account. Some merchants do not allow cardholders to conduct split transactions where you would use the Card as partial payment for goods and services and pay the remainder of the balance with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of funds available on the Card to the Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping your Card, your Card is likely to be declined.

If you use your Card at an automated fuel dispenser (“pay at the pump”), the merchant may preauthorize the transaction amount up to \$75.00 or more. If your Card is declined, even though you have sufficient funds available, pay for your purchase inside with the cashier. If you use your Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the merchant may preauthorize the transaction amount for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. Any preauthorization amount will place a “hold” on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorization amount on hold will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount.

If you use your Card number without presenting your Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make on your Card. Your Card cannot be redeemed for cash, except as otherwise provided by law. You may not use your Card for online gambling or any illegal transaction.

Each time you use your Card, you authorize us to reduce the value available in your Card Account by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount in your Card Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Card, you shall remain fully liable to us for the amount of the transaction and any applicable fees.

You do not have the right to stop payment on any purchase or payment transaction originated by use of your Card. You may not make preauthorized regular payments from your Card Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days.

Non-Visa Debit Transactions

New procedures are in effect that may impact you when you use your Card at certain merchant locations. In the past, transactions have been processed as Visa debit transactions unless you entered a PIN. Now, transactions may be processed as either a Visa debit transaction or as a NYCE transaction.

Merchants are responsible for and must provide you with a clear way of choosing to make a Visa debit transaction if they support the option. Please be advised that should you choose to use the NYCE network when making a transaction without a PIN, different terms may apply. Certain protections and rights applicable only to Visa debit transactions as described in this Agreement will not apply to transactions processed on the NYCE network. Please refer to the paragraph labeled “Your Liability for Unauthorized Transfers” for a description of these rights and protections applicable to Visa debit and non-Visa debit transactions.

To initiate a Visa debit transaction at the POS, swipe your Card through a POS terminal, sign the receipt, or provide your Card number for a mail order, telephone, or Internet purchase. To initiate a non-Visa debit transaction at the POS, enter your PIN at the POS terminal or provide your Card number after clearly indicating a preference to route your transaction as a non-Visa debit transaction for certain bill payment, mail order, telephone, or Internet purchases.

Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds and agree to the refund policy of that merchant. Neither the Issuer nor IDT Payment Services is responsible for the delivery, quality, safety, legality or any other aspects of goods or services that you purchase from others with a Card. All such disputes must be addressed and handled directly with the merchant from whom those goods or services were provided.

Card Replacement

If you need to replace your Card for any reason, please contact us at 1-800-725-1442 to request a replacement Card. You will be required to provide personal information which may include your Card number, full name, transaction history, copies of accepted identification, etc. There is a fee for replacing your Card unless your Card has expired and you have used it within the last twelve (12) months prior to expiration. .

Expiration

The expiration date is embossed on the front of the card. The funds on the Card do not expire. You will not be able to use your Card after the expiration date. You will receive a new card in the mail if you have used your Personalized Card within the last twelve (12) months at no charge.

Transactions Made In Foreign Currencies

If you obtain your funds or make a purchase in a currency other than the currency in which your Card was issued, the amount deducted from your funds will be converted by Visa into an amount in the currency of your Card. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. If you obtain your funds or make a purchase in a currency other than the currency in which your Card was issued, the Issuer may assess a foreign currency conversion fee of 3% of the transaction amount and will retain this amount as compensation for its services. Transactions made outside of the 50 United States and the District of Columbia are also subject to this conversion fee even if they are completed in U.S. currency.

Receipts

You should get a receipt at the time you make a transaction using your Card. You agree to retain, verify, and reconcile your transactions and receipts.

Card Account Balance/Periodic Statements

You are responsible for keeping track of your Card Account available balance. Merchants generally will not be able to determine your available balance. It's important to know your available balance before making any transaction. You may obtain information about the amount of money you have remaining in your Card Account by calling 1-800-725-1442. This information, along with a sixty (60) day history of Card Account transactions, is also available online at www.bossrevolution.com/prepaidvisa. You also have a right to obtain a sixty (60) day written history of Card Account transactions by calling 1-800-725-1442 or by writing us at Boss Revolution Customer Service, 550 Broad Street, Newark, NJ 07102.
